

Your solution is so simple!

1. You tell us where you would like to assign your employees.
2. We analyse all the potential problems and work out the best solution for you.
3. We get all the information about the assignment from you once and we make sure that each GEP-Partner gets the required information.
4. We choose the most suitable partners for your individual needs, national and international.
5. You get a fixed-price contract.
6. We coordinate and administer the assignment for you based on the services selected.
7. We ensure that all our services are of the highest quality and delivered on time.
8. You receive just one invoice from GEP for all services provided.
